Governing Directive	OPNAVINST 4650.15
------------------------	-------------------

1. **Policy**. Navy policy is to provide safe, reliable, responsive, and quality travel services that meet official travel requirements at the lowest overall cost.
2. **Guidance**. Use the procedures in OPNAVINST 4650.15 for all passenger transportation needs. The procedures are applicable to Navy members and their family members, Navy civilian employees and their family members, and all other personnel whose travel is funded by the Navy.
